# Industry Support Creates *Amazing Success*

The 14th Annual The Common Thread For The Cure Golf Tournament was an amazing success bringing in over \$57,780 for the Foundation. The event was held on April 29, 2016 at the beautiful Rumbling Bald Resort on Lake Lure in North Carolina. It was a great day in the mountains, but the true winners for the day are the breast cancer survivors in the furnishings industry who will receive financial assistance from The Common Thread For The Cure through Helping Hand Grants because of the generosity of their fellow industry members. A very deserving young survivor in Tennessee received her Helping Hand Grant four days after the tournament.

*We would like to recognize and thank everyone for their contributions.*

Lucia Kennerly/Mayer Fabrics provided floral arrangements for the tables. Maharam, DesignTex, Mayer Fabrics and Momentum Group provided the textiles decorating the tables.

**Volunteers** not only make an event of this size possible, but also make the day an enjoyable experience for all who came to play. Thank you to the captains — Celia Yow with Maharam and Tommy Kerr with Eykon Wallcovering — for keeping the terrific group of volunteers organized and moving forward. This group of at least 20 dedicated industry professionals registered players, sold raffle tickets, drove beverage carts, served participants beverages and snacks, manned beverage holes, distributed prizes and decorated tables. Also thank you to Dottie, Ronda and Barbara for being there when you were needed.

We appreciate Rumbling Bald Resort on Lake Lure for being a wonderful supporter in providing all the services needed in a financially responsible manner for the Foundation.

A heart felt "**thank you**" to all the sponsors and supporters who contributed to this event and helped make this **amazing success** possible.
